§ 143C-9-1. Medicaid Special Fund; transfers to Department of Health and Human Services.

(a) The Medicaid Special Fund is established as a nonreverting special fund in the Department of Health and Human Services. The Medicaid Special Fund shall consist of the federal Medicaid disproportionate share monies remaining after payments are made to hospitals. Annually, the Department shall transfer the disproportionate share gain, after payments are made to hospitals, to the Medicaid Special Fund. Funds deposited to the Medicaid Special Fund shall only be available for expenditure upon an act of appropriation of the General Assembly.

Political subdivisions may appropriate funds directly to the Department of Health and Human Services for Medicaid programs. Other public agencies and private sources may transfer funds to the Department for Medicaid programs. The Department may accept unconditional and unrestricted donations of such funds. Notwithstanding the provisions of this Article which might forbid such transfer or donation, the University of North Carolina Hospitals at Chapel Hill may transfer funds as provided by the previous sentence of this section.

(b) Contributed funds shall be subject to the Department of Health and Human Services administrative control and shall be allocated only as specifically provided in the Current Operations Appropriations Act, except such contributions shall not reduce State general revenue funding. At the end of any fiscal year, the unobligated balance of any such funds shall not revert to the General Fund, but shall be reappropriated for these purposes in the next fiscal year. (2006-203, s. 3; 2007-117, s. 7.)

Moneys in the Trust Fund shall be held in trust and used solely to increase community-based services that meet the mental health, developmental disabilities, and substance abuse services needs of the State. The Trust Fund shall be used to supplement and not to supplant or replace existing State and local funding available to meet the mental health, developmental disabilities, and substance abuse services needs of the State.

The State Treasurer shall hold the Trust Fund separate and apart from all other moneys, funds, and accounts. The State Treasurer shall be the custodian of the Trust Fund and shall invest its assets in accordance with G.S. 147-69.2 and G.S. 147-69.3. Investment earnings credited to the assets of the Trust Fund shall become part of the Trust Fund. Any balance remaining in the Trust Fund at the end of any fiscal year shall be carried forward in the Trust Fund for the next succeeding fiscal year.

Moneys in the Trust Fund shall be expended only in accordance with subsection (b) of this section and in accordance with limitations and directions enacted by the General Assembly.

(b) Moneys in the Trust Fund for Mental Health, Developmental Disabilities, and Substance Abuse Services and Bridge Funding Needs shall be allocated to area programs to be used only to:

- (2) Repealed by Session Laws 2007-323, s. 10.49(w1), effective July 1, 2007.
- (3) Facilitate reform of the mental health, developmental disabilities, and substance abuse services system and expand and enhance treatment and prevention services in these program areas to remove waiting lists and provide appropriate and safe services for clients.

(c) Notwithstanding G.S. 143C-1-2, any nonrecurring savings in State appropriations realized from the closure of any State psychiatric hospitals that are in excess of the cost of operating and maintaining a new State psychiatric hospital shall not revert to the General Fund but shall be placed in the Trust Fund and shall be used for the purposes authorized in this section. Notwithstanding G.S. 143C-1-2, recurring savings realized from the closure of any State psychiatric hospitals shall not revert to the General Fund but shall be credited to the Department of Health and Human Services to be used only for the purposes of subsections (b)(1) and (b)(3) of this section.

(d) Beginning July 1, 2007, the Secretary of the Department of Health and Human Services shall report annually to the Fiscal Research Division on the expenditures made during the preceding fiscal year from the Trust Fund.
